Career Interview

Introduction: You are going to interview someone who has a job to determine just how they decided on the career they have chosen.

Directions:

1. Find an adult who has a job and is willing to give you a few minutes of their time.
2. Ask the questions written below, writing down notes of their responses as you talk.
3. Bring the notes of your interview to class, and be prepared to share.

1. What is your job and how long have you been working at this occupation?

2. What training did you need to have for your job?

3. How did you decide that this was a job you were interested in?

4. What advice would you give to me as I start to think about what kind of career I would like to pursue?
